SYRACUSE 'PHONE RATE HEARING

In Case, Result of Which Will Affect Most Other State Cities, N. Y. Telephone Company's Testimony Leaves It Up To City To Find More Net Earnings—Claims Is That But 2 Cents on The Dollar Are Left For Net Earnings.

By Telegram to The Freeman. Albany, N. Y., April 23.—As a result of yesterday's hearing given by the Public Service Commission Second District, on the complaint of the city of Syracuse against the telephone rates filed by the New York Telephone Company last December, Corporation Counsel E. H. Lewis of Syracuse must find some immediate way for the telephone company to increase its net earnings in Syracuse by \$100,000 to \$200,000 or else admit no cause for complaint against the present rates.

The company today practically completed its testimony showing that it is earning less than two percent in Syracuse and operating at a loss in the Central Division, of which Syracuse is the center. The Syracuse case is being considered upon the basis of the segregated Syracuse area rather than upon the state wide principal which according to the company distributes the revenue burden throughout the territory so that all communities receive good service at reasonable rates. Syracuse is one of the communities benefiting from the state wide principal of rate making. More than 150 other communities, which have complained against the December 1st, 1919, telephone rates, are affected by the result of the Syracuse case, which is virtually a test of the segregation theory of basing telephone rates.

At today's hearing John L. Swartz, general counsel for the Telephone Company, made it plain that the company did not feel that it should go to the expense and labor of assisting the complainants in checking the inventory submitted by the company until Corporation Counsel Lewis found sufficient net earnings to make an inventory pertinent to the case. "Unless Mr. Lewis can show that our net earnings produce an adequate return," said Mr. Swartz, "an inventory would be useless since it would have no effect upon the present rates. We have presented a prima facie case, showing that existing rates are inadequate to produce a proper return upon the investment actually in public use in the segregated Syracuse area. It seems to us that Mr. Lewis and his experts should produce some evidence to support his complaint against the present rates."

Mr. Lewis said that one of his experts, Milo R. Maltby, would be able to give his attention to the case immediately and it was agreed that the Syracuse complainants would investigate the company's exhibits and start a cross-examination at the next hearing, May 14. Testimony was given showing that ninety-five cents of every dollar earned by the company in the Central division in 1919 went for salaries, wages, materials and taxes and that there was a deficit that had to be met each year. In Syracuse ninety-two cents on every dollar went for the four items mentioned and there was two cents left for net earnings. This year the company's construction program in Syracuse will cost \$550,000 and \$1,500,000 will be spent in the next three years for new equipment, most of which will be the new machine switching apparatus, which will be used to care for the future telephone growth in Syracuse.

The Buffalo rate case scheduled to be heard today, will be taken up April 29.

CARLILUX GUILTY.

Two Charges Eliminated—Conviction Calls for Banishment.

By Telegram to The Freeman. Paris, April 23.—Joseph Carlilux, former premier of France, and twice minister of finance, last evening was found guilty of having had commerce with the enemy by the high court of the senate. The vote was 150 to 91. The crime of which M. Carlilux was convicted, by the military code, calls for a sentence of banishment for a maximum of five years or a minimum of one year.

The charges of high treason and intelligence with the enemy were eliminated by a vote of 212 to 28. This nullifies the possibility of the death penalty. Walkill Valley on New Time. Secretary Sohas, of the Walden Chamber of Commerce, has received a letter from the Walkill Valley Railroad, that effective Sunday, May 16, the Walkill Valley line will be operated on daylight saving time. The trains will be advertised as running one hour earlier than present standard time. No. 8 is now shown as leaving Kingston at 7:55 a. m., arriving in Walden at 9:50 a. m. The railroad will advertise the train as leaving Kingston at 8:55 a. m., arriving in Walden at 10:50 a. m. This will conform with the action taken in the Central New England Railroad.

Walden Valley on New Time.

By Telegram to The Freeman. Berlin, April 23.—A heavy concentration of Baltic troops at Königsberg for the purpose of a reactionary revolution was reported from Berlin today. The troops have collected a large amount of ammunition.

FRENCH CELIBATE TAX PLAN SCORED

By Telegram to The Freeman. Paris, April 23.—A tax upon bachelors and unmarried women will have an immoral and detrimental effect upon any country that puts it into effect, in the opinion of Professor Haymen, a member of the French Academy of Medicine.

Commenting today upon the plan of France to put a ten percent tax upon unmarried men and women, Professor Haymen said: "From a financial standpoint the tax may be a good thing, but I take another view. Supporters of the proposal say it will increase marriages and thus decrease the number of illegitimate births. But many persons afflicted with tuberculosis, epilepsy and other diseases may enter the marriage state to avoid this tax. In this event these diseases would be spread."

"If there are men and women who are entirely wrong in refusing to found families, there are others, and there are countless numbers of them who wrong mankind by marrying. It is the duty of every physician to oppose that tax on that ground alone. That is not all. If France imposes a tax on celibates we shall find thousands of persons entering into the marriage contract with no thought of its sacredness. We shall have countless divorces and marriages without numbers. The newspapers will be filled with cases of infidelity because infidelity will be so common that no one will regard it as wrong."

FEDERATION EXECUTIVES MET

There was a brief meeting of the executive committee of the Federation of Women's Clubs, held at the Kingston City Library on Thursday afternoon at 2:30 o'clock. Mrs. Frank Thompson, the president, presiding. Following the reading of the minutes of the last meeting and their acceptance, it was stated that the treasurer had no report to make, as there was no money had been received or disbursed.

The Lowell Club reported \$45 contributed to the Near East Relief Fund and \$2 to the Longfellow Memorial fund, aside from their regular business. The Cotuit reported a contribution of \$11.50 to the Near East Relief fund, while the Solkanishade Club which furnished one of the teams for the recent campaign, reported that the team had secured over \$581.

Mrs. Rice, chairman of the Committee of Y. W. C. A. or Community House committee, reported that at a joint meeting with the committee from the Chamber of Commerce it was decided to leave the matter to the joint committee to be formed of the executive board of the Chamber of Commerce and the executive committee of the Federation of Women's Clubs for further action. Such a joint committee meeting is to be called by the Chamber of Commerce.

A communication was read from Dr. Lewis of the prison reform, regarding the matter of juvenile delinquency in communities, looking toward remedial action and it was the sense of the meeting to keep the matter in mind for future action.

On motion of Mrs. Rice, seconded by Mrs. Kingston, it was voted that the meeting should go on record as heartily cooperating in and favoring the present thrift movement.

Notice was given out of the meeting of the third judicial district meeting to be held at Albany on May 5, beginning in the morning at 10:30 o'clock, New York state time. The meeting will be held in the assembly hall of the Y. W. C. A. In response to the roll call, each club is asked to give a brief report. The women of the third judicial district will be the guests of the Woman's Club of Albany, Mrs. Russell Headley, chairman, at the new club house, 725 Madison avenue.

The afternoon session will begin at 2 o'clock. Everett S. Elwood, secretary of the state hospital commission, will speak on Mental Hygiene. Mrs. Hewitt, state president, and other state officials and chairmen will tell briefly of departmental work. What is being done in New York state to lower the high cost of living and other timely topics will be discussed. Mrs. Thompson urged as many of the clubs as could, to send representatives to this meeting. It was announced that the annual meeting of the federation would take place the third Saturday in May, at which time the president asked that each club or committee make a five minute written report, covering the various studies and philanthropic work accomplished by the organization during the past year. Such reports are especially desired in order to show plainly just how much and to what extent the entire federation groups are co-operating. The president announced the following nominating committee, which is to present nominations for election of officers for the coming year, at the annual meeting in May: Mrs. W. N. Freeman, Mrs. James Brink, Mrs. John E. Baker, Mrs. Harry Walker and Mrs. S. E. Leighton. The meeting then adjourned.

Secret New Sportsmen Meeting.

By Telegram to The Freeman. London, April 23.—Secret preparations are under way in the Ruhr district of Germany for a new sportsmen's gathering, said an Exchange Telegraph dispatch from Berlin today, quoting the Berliner Tageblatt.

WED IN OVERALLS AT WALDORF

Mrs. Gertrude Reinhardt And W. Ramsey Frederick, Who Are Coming Here To Live, To Start Economically With Ceremony At Which Many Will Wear Blue Jeans.

By Telegram to The Freeman. New York, April 23.—"Overalls over all" will be the slogan of the season's first "economy" wedding at the Waldorf Astoria Hotel tomorrow morning.

Just as the big protest parade is getting under way a mile or so uptown, a bride and bridegroom, with the bridesmaid and attendants and many of the guests attired in humble blue jeans will be married. The bride is Miss Gertrude Reinhardt, daughter of Mr. and Mrs. Joseph Reinhardt, of Cypress Hills, Brooklyn. The groom is W. Ramsey Frederick, son of Mr. and Mrs. W. R. Frederick, of No. 204 West Eighty-fifth street.

Mr. Frederick is a war veteran. The bride said yesterday: "I don't believe this is a time for an expensive trousseau. We decided to wear overalls at our wedding and they are quite pretty, too, mine and the bridesmaid's. We can use the money we saved on the trousseau in fitting up our home which is to be in Kingston, New York."

The Rev. Dr. W. D. Tuckey, of Brooklyn, will perform the ceremony.

Mr. Frederick has leased part of the building on North Front street, partly remodeled into a store and garage for Arthur Stieler.

NATIONAL BONUS AGAIN IN AIR

By Telegram to The Freeman. Washington, April 23.—With forced abandonment of the plan of a gross sales tax to raise the bulk of money needed to pay a cash bonus to ex-service men, the program of the house Republican leaders for bonus legislation was broken, and today the whole matter is one of confusion and uncertainty.

"Advocates of a tax on war profits instead of on consumption are dominating the situation, but they have been unable to draft a compromise bill that will command the support of a majority of the Republican members."

Republican members of the ways and means committee are at work today on a redraft of their bill and additional estimates will be gathered from the treasury department as to the estimated revenue that can be had from readjustments on the income tax on incomes in excess of \$10,000.

Bitter partisan politics has helped to complicate the situation to the disadvantage of the bonus legislation. Republican leaders are condemning members of their own party.

Democratic members are viewing the situation of the bonus legislation with conflicting emotions. Southern members are opposed to it because they allege it would conduct to idleness among the colored workers, but they must support the bonus should it be brought to a test vote for political reasons.

REBEL ATTACK ON TUXPAM FAILS

By Telegram to The Freeman. Mexico City, April 23.—Rebels under General Abulo Gomez, who were trying to capture the great oil port of Tuxpam, have been decisively defeated and dispersed by federal troops commanded by General Alvarez, General Espinosa and General Cordeba. It was announced today by General Barrera, the chief of staff to President Carranza.

The attack was begun by the rebels. According to the official announcement, the attackers were not only beaten off, but were put to flight, taking refuge in the nearby mountains.

General Barrera announced also that Colonel Romulo Figueroa, governor of the state of Guerrero, has joined the revolutionary army in Sonora.

New Broadway Rooming House.

The Cucco and Dondero buildings, at 611, 613 and 615 Broadway, which were of red brick fronts are being painted a shade of gray by the owner, John J. Cucco, and the corners, window frames and three stone fronts and doors are being painted a dark shade of brown, which will make a big improvement in that section by reason of the change. Mr. Cucco has a force of men at work arranging the two upper floors of the Dondero buildings into rooms for a rooming house.

Boys Company Directors.

At the annual meeting of the stockholders of the S. R. Day Company, the following were elected directors: Alice M. Day, A. D. Ross, Clarence H. Schenck, O. F. W. Wier, Richard D. Sleight. The inspectors elected were C. H. Bishop and Charles E. Day.

HUSTON PREDICTS CLOSE RACE

By Telegram to The Freeman. New York, April 23.—Colonel T. L. Huston, half owner of the Yankees, believes the present race for the American League pennant will be the best in the history of the organization.

"I look for a pennant race that will be talked about in future years," said Colonel Huston today. "From the looks of things now there are no hopelessly weak clubs in the league and it will not surprise me to see three or even four clubs in a neck and neck race down the home stretch in September."

"Some of the teams that were rated weak by the experts prior to the opening of the season are showing up well, but, of course, it is too early in the season to make comparisons. We will know more about the real strength of the various teams, after they've all met in at least one series."

"Colonel Ruppert and myself are pleased with the Yankees. The fact that our club has gotten away to a slow start is not discouraging. The boys simply are not hitting. I think we've got the talent necessary to a winner but as yet it hasn't been knit firmly together."

"Yes, Babe Ruth is going to help us a lot. It was unfortunate that he had to be kept out of the opening game here, but he will not be out of the lineup for long. Wrenched muscle—oh, three days to a week. I look for Ruth to shatter his home record. He ought to hit around thirty-five homers this season for the Polo Grounds are made to order for him."

Colonel Huston said he has thus far failed to note any change in the pitching as a result of the new rules.

"I don't believe the pitchers will be handicapped by the new rules, once they get used to them," he said.

NEW YORK FUR SALES.

Muskrat Sells Up to \$3.05 on Fourth Day.

By Telegram to The Freeman. New York, April 23.—With the poorest southern skins selling for what the choicest brown pelts used to bring not so very long ago, muskrat was easily the star at the fourth day of the fur auction in the Masonic Hall here. These were the prices paid for the best muskrat sold today, southern, \$1.85; black, \$4.55, and brown, \$5.05. Southern "rats" showed the smallest advance over the prices brought at the spring sale here last April, but even at that they went up 100 per cent. Black muskrat advanced 115 per cent and brown skins were 125 per cent higher. Sales for the day amounted to \$1,050,000 which brought the grand total for first four days to \$3,355,000. Nearly 1,212,000 moles, enough to make a continuous strip of fur about 75 miles long, were sold during the day at prices ranging from two cents each to 39 cents. The best wild cat touched \$11.75 each, while \$50 each was paid for the choicest lynx pelt. Top mark for badger was \$3.10 each.

A POLICE ARMY.

German Marine Brigade Now Camouflaged As Security Police.

By Telegram to The Freeman. Munster, Germany, April 22. (Delayed)—The "demobilization" of the famous German marine brigade, which was demanded by the workmen, is apparently camouflage. It was learned today that many of the demobilized officers and non-commissioned have joined the security police which is the only police force in the world possessing machine guns, flame throwers, artillery, aeroplanes, menneweffers and poison gas apparatus.

This police force was organized by the German government for the purpose of maintaining order in districts threatened with Red activities. Strict discipline is maintained in its ranks and to all intents and purposes, it is a miniature army.

Two Feet Of Snow Here Yet.

"Boys were throwing snow balls on Kingston Academy Park on Thursday, April 22, 1920, where there was still about two feet of snow." The above sentence if written into a weather diary and preserved would make interesting reading a half century hence. To be strictly truthful it would be necessary to add that the snow is what is left of the big snow dump of last winter.

N. Y. Ready For Overall Parade.

By Telegram to The Freeman. New York, April 23.—New York was "brushing up" today in preparation for the overall and old clothes demonstration on Broadway tomorrow. Ten thousand marchers in old clothes and denims will protest against high prices in wearing apparel. The overall movement has already caused prices to drop with merchants, showing signs of early action to relieve the situation.

Awarded \$2,500 for Injuries.

Mrs. Florence Patterson of Poughkeepsie has been awarded a verdict of \$2,500 against the Central New England Railroad for injuries sustained when she attempted to alight from a train at Poughkeepsie last October. The case was tried before Supreme Court Judge Towner in Poughkeepsie.

Some One Had Free Cream.

Thursday evening about 10:30 o'clock a twenty quart can of ice cream was stolen from the rear of Candyland on Wall street. The thieves evidently enjoyed a feast but no trace of the cream or confectioner has been found.

STRIKERS FIRM SERVICE BETTER

By Telegram to The Freeman. New York, April 23.—The "bitter enders" among the striking railroad workers and the railroad managers are still deadlocked today, the strikers declaring they will not return to work until the labor board has heard their demands and the railroads refusing to take back the strikers, except as new men, with loss of seniority.

About 5,000 men, it is estimated, are still on strike in the New York district.

Railroad officials reported improvements today in conditions on most of the roads, declaring that new men are being hired to take the place of the strikers.

BRITISH PAPER CENSURES PREMIER

By Telegram to The Freeman. London, April 23.—The snuffing policy of Premier Lloyd George is a bane to the alliance and a blessing for the German war lords, because it is helping them to re-establish Prussian militarism, said the Morning Post today in commenting upon the developments of the supreme council at San Remo.

The Daily Mail expressed the hope that the supreme council would accept the viewpoint of Premier Millerand.

"Germany's request for an army of 200,000 men should not even be discussed," said the Daily Mail. This paper referred to the German communication as "a note from the impudent Hun."

The Daily Telegraph in commenting upon Marshal Foch's proposal that concessions be made regarding the size of the German army, said:

"Marshal Foch had better have an adequate army at home and no camouflaged troops."

The San Remo correspondent of the Chronicle quoted Premier Millerand as saying:

"We are in full agreement regarding Germany. Premier Lloyd George himself has declared against any revision of the treaty."

According to the Chronicle, the inter-allied aviation commission, whose report is now before the supreme council, has everywhere met with bad faith on the part of the Germans. Aeroplanes which the Germans were pledged by the treaty to turn over to the allies either were damaged or destroyed.

"Until Germany disarms we certainly cannot disarm ourselves," said the Chronicle.

JAPS GETTING AMERICAN GOLD

By Telegram to The Freeman. Washington, April 23.—Japan now is one of the heaviest importers of American gold.

One fourth of the gold shipped out of the United States since the gold embargo was removed ten months ago, went to Japan.

The total outflow of American gold in that time amounts to \$474,000,000, the federal reserve board announced today.

These countries got the bulk of the precious metal:

Japan \$100,820,000; Argentina \$109,000,000; Hong Kong, \$55,000,000; China \$53,000,000; British India \$36,000,000; Spain \$29,000,000.

Because of the enormous gold surplus rolled up before America's entry into the war, the nation's stock is still huge. Treasury officials said today despite the heavy drain upon our gold stocks, in shipments abroad, America's supply of gold will be ample for many, many years to come.

"GRUNAU" "LUCKED."

Will Today Ask Strikers To Resume Work.

By Telegram to The Freeman. Chicago, April 23.—"On again, off again" negotiations for the calling off of the switchmen's strike in the Chicago district were "on again" today, when John Grunau, chief of the strikers, who left a conference with federal officials in anger Thursday, announced that he would appeal to the strikers to return to work at a meeting to be held late in the day. "We're licked," said Grunau. We cannot fight the government."

Railroad officials recorded this statement as sounding the knell of the strike movement throughout the country.

Michael Tuckey Missing.

Michael Tuckey, watchman on the steamer B. B. Odell, of the Central Hudson Line, has been missing since Tuesday evening, and it is feared he has been drowned. He is a resident of Newburgh. He is well over six feet in height, weighs close to 300 pounds, and is built on massive lines.

Some One Had Free Cream.

Thursday evening about 10:30 o'clock a twenty quart can of ice cream was stolen from the rear of Candyland on Wall street. The thieves evidently enjoyed a feast but no trace of the cream or confectioner has been found.

PALMER AFTER SUGAR HOARDS

By Telegram to The Freeman. Washington, April 23.—Sugar consumers were given another gleam of hope today.

Attorney-General Palmer, informed that candy and soft drink manufacturers, through a "corner" of the bulk of raw sugar, are responsible for impending sugar shortages and ascending prices, is making plans for a survey of warehouse stocks.

Mr. Palmer will follow a personal interview with sugar refiners on Monday with a searching probe, designed to reveal where surplus stocks of sugar, known to be in the country, are being hidden.

Department of justice agents have wired reports from various centers, indicating possibly a concerted plan to hold back sugar supplies to gain higher profits.

Some manufacturers of candies and drinks, are allowed to store enough sugar to carry them over a brief period, but reports indicate many large concerns may be hoarding on a vast scale.

JOHNSON REACHES SUPREME COUNCIL

Will Report Observations to President Wilson—Differences Between Millerand and Lloyd George Over Policy Toward Germany Continue.

By Telegram to The Freeman. San Remo, Italy, April 23.—Robert Underwood Johnson, the American ambassador to Italy, has arrived here to attend the inter-allied supreme council meeting as an observer. He will report to Washington upon the decisions reached by the council.

There is no lessening of the breach which exists between Premier Lloyd George and Premier Millerand over German matters, especially the size of the army which the Ebert government will be allowed to maintain.

The British premier favors concessions to Germany, maintaining that they are necessary in order to insure the execution of the Versailles treaty by the German government. Lloyd George is said to be convinced that Germany is weak, both economically and militarily, and therefore no menace to France.

Premier Millerand is opposing vigorously the request of Germany to be allowed to increase her army to 200,000 men, the figure originally suggested by Marshal Foch. He holds that a big German army would endanger France.

DEPEW, 86, GOING TO REACH HUNDRED

By Telegram to The Freeman. New York, April 23.—Chauncey M. Depew celebrated his 86th birthday today with the declaration that he intends to live to be a centenarian.

"I never felt better in my life," said the former senator. "I'm going to live to be a hundred because I like this world to live in. I'm feeling every bit as good as I did at fifty-six."

Mr. Depew looked the picture of health. He makes daily trips from his Westchester country home to his office in the financial district.

TURK BOUNDARIES

Are Mapped Out—Armenia To Be Independent.

By Telegram to The Freeman. London, April 23.—A number of inter-allied conferences will be held during the summer to settle Turkish problems that are left over by the supreme council at San Remo. It was learned today.

The new boundaries of Turkey, except where the most Armenia, already have been mapped out. Turkey will retain partial control of Constantinople, but measures defining Turkey's authority and Armenian frontier questions will not be settled definitely until later.

Armenia will be free and independent. Nor will the Turks have any control over Palestine.

Heavenly Discrepancy Granted.

An interdictory decree of divorce has been granted in supreme court by Justice Senter to plaintiff in the action brought by Sarah Elizabeth Hendon of this city against Edgar A. Hendon. The parties were married in this city November 25, 1902. The action was brought on statutory grounds, the acts committed at various times at Cairo, Greene county and at Troy, N. Y., the co-respondent being a woman whose name is at present unknown. The hearings were held at Newburgh. Harry E. Schirrick is attorney for the plaintiff.

Matters Before Supreme Court.

In surrogate's court the last will and testament of Mary J. Grimes, deceased, of the town of Wawarsing, has been admitted to probate. Jacob M. Houshock of Ellenville is named as executor. The value of the estate is \$2,800 real; \$500 personal. All the estate, real and personal is bequeathed to the granddaughter, Elizabeth Grimes Houshock. Raymond G. Cox is attorney for the executor.

St. Mary's School defeated School No. 4 by a score of 7 to 4. The battery for St. Mary's was Doyle, pitcher, and Mooney on the mound end, while Noble pitched and Clark caught for No. 4. School. St. Mary's would like to play other school teams. Their next game will be Monday afternoon at McVey's field, when they play the same team.

Navy Rows Harvard Saturday.

By Telegram to The Freeman. Annapolis, Md., April 23.—The cadets of Harvard and the navy will hold their annual regatta on the Severn Saturday and are ready for the races. The individual crews were scheduled to take to the water today to practice starts and short sprints, having wound up hard rowing preparation for the day.

Vale-Columbia Regatta Saturday.

By Telegram to The Freeman. Berke, Conn., April 23.—The varsity and junior rowing crews of Vale and Columbia, scheduled to meet in the Housatonic tomorrow afternoon, turned up their shells yesterday and took their final workouts today. Coach Rice of Columbia, and Coach Nicolls of Vale, report the crews in good condition.

DAYLIGHT SAVING REPEAL PASSES

After Two Defeats Assembly Votes Favorably on Fowler Bill—Optional With Municipalities—New Goes to Governor.

Albany, N. Y., April 23.—The assembly today passed the Fowler bill repealing the daylight saving law by a vote of 78 to 58. The measure gives municipalities the right to determine for themselves retention or repeal of the daylight law.

The measure was twice defeated in the lower house this session, the last time lacking one vote of the required 78 to pass it. The bill now goes to the governor.

KINGSTON HAS NOT DONNED DENIM YET

No Overall Clubs Formed Here—Sale of Spring Wool Suits Has Been Exceptionally Good—Letter Carriers Are Permitted to Wear Gray Denim Uniforms, But None Have Expressed The Desire.

As yet the "Overall Club" and "Old Clothes Club" movements have not hit Kingston. At least there has been no organized effort on the part of any persons to thus force a decline in price of wearing apparel. This is probably due to the fact that a number of men purchased their new spring suits before the movement had been started. The sale of spring suits this year has been exceptionally good, according to one merchant in this city, although there has been a slight falling off within the last few weeks. This is attributed to weather conditions and possibly to the overall movement.

Postmaster William C. DeWitt has received a ruling from First Assistant Postmaster General Koons permitting letter carriers to wear overalls whenever the majority at the office desire. The instructions specify that gray denim must be used in accordance with the traditional gray of the department. All the denim uniforms at any office must be of the same style, quality and color and must be laundered at least once a week.

Postmaster DeWitt stated that as yet there had been no disposition on the part of the carriers to wear the overall uniform. Many of the carriers have already secured or ordered their new spring uniforms and will continue to use them until they are worn out. It is altogether likely that when these uniforms are worn out, the carriers will adopt the gray denim suit.

The movement has gained a foothold in Ellenville. Photographer Wright appeared on the streets all this week clad in khaki and a number of other village residents have expressed the desire to adopt a similar habit.

Several young men of the Catskill High School appeared at that institution Thursday morning clad in overalls, and the male employees of the Union Mills of that place also donned the denim this week.

A number of Walden high school students wore the "jeans" at school Wednesday and were promptly sent back home by Superintendent Townsend. They returned to school in their best Sunday go-to-meetin' flowing ties. Several of them consulted legal advice. Thursday when a larger number went to school in overalls the superintendent laughingly gave in.

In Kingston there are several who have been wishing the craze would strike here, but none have plucked up sufficient courage to start it. Neither have the women adopted gingham as a dress for street and social wear.

Mrs. MacMillan of New York is spending some time at the home of Mr. and Mrs. Frank Hotchkiss.

Mr. and Mrs. Bert Williams and son, Lloyd, Mrs. J. Pierce and son, Wayne, and little niece, all of Poughkeepsie, motored to High Falls on Sunday and called at the home of J. R. Van Wagenen.

Mr. and Mrs. Christopher Ten Hagen and Mr. and Mrs. Charles Ten Hagen attended the funeral of Mrs. Maria C. Meyers at Accord on Tuesday.

William Quick and family have returned to their home in this place, after spending the past winter in Kingston.

Mr. and Mrs. Charles Lapolt entertained out of town guests on Sunday.

The funeral of Anthony Duym was held on Wednesday afternoon at his late residence, C. G. Dangremont officiated. Interment at High Falls cemetery.

The many friends of Mrs. Olen E. Goetcheus, who had a very successful operation at the Kingston City Hospital on Tuesday of this week, hope for a speedy recovery and return to her home.

Mrs. William Fitzpatrick has returned home, after an extended visit with relatives in Brooklyn.

Mrs. E. D. Kortright attended the funeral of her cousin, Mrs. M. C. Meyers, at Accord on Tuesday.

Miss Inez L. Gray spent Thursday in Kingston.

Mrs. George LeFever called on Mrs. Preston Church on Wednesday.

Miss Myrtle Markle of Stone Ridge is working at Preston Church's.

MILTON.

Milton, April 22.—Mr. and Mrs. Clifford Wood of Brooklyn were recent guests at Woodside, the home of Mr. and Mrs. F. C. Wood.

On Saturday afternoon from 3 to 5 o'clock the Epworth League of the M. E. Church will hold a food sale at the Community House. Come and buy goodies for over Sunday. Mrs. George Wilson and the Misses Ida Lyons, Minnie Alsford and Luella Brown are the committee in charge.

Miss Loretta Spratt recently entertained her friend, Miss Helen Vogt, of New York City.

Improvement to the interior of the Wood residence, opposite the M. E. Church, are being made.

The W. C. T. U. is to give a short play called "Men Not Wanted."

Miss Eleanor Clarke and James Clarke have entered Miss Tuttle's private school.

On Friday evening last P. H. Schroeder received word over the telephone of the death of his brother, Henry J. Schroeder, at Saugerties, of acute dilation of the heart. Within an hour before his death he had talked with Mr. Schroeder and plans were made for Mr. and Mrs. Schroeder to go to Saugerties and spend Sunday, and it was a great shock to the brother here. Some of the fruit growers will remember Mr. Schroeder as a fruit commission merchant.

Mrs. Hyatt, Sr., returned from Sadler's Sanitarium, Poughkeepsie, on Monday.

Word has been received of the death of a son of Mr. and Mrs. Fuller. Mrs. Fuller was Miss Bertha Newman of this place, and a niece of Mrs. C. M. Woolsey.

Cornwall quarterly meeting of Friends will be held in the Friends' Church of Milton on Friday and Saturday of this week. William C. Taber of Brooklyn will address the Friday evening meeting. Everybody is invited to attend.

Rev. John C. Bowman and wife are expected to come to Milton this week to spend the summer. Mr. Bowman will assume the duties of pastor of the Presbyterian Church, beginning Sunday, April 25. Services both morning and evening. Sunday school at 10:15. Morning service at 11 and evening session at 7:30. All are invited to these services.

The food sale held by the Needlecraft Society of the Presbyterian Church last Saturday was very successful and added a neat sum to the treasury.

Elders W. A. Goehrlacher and G. F. Duffalo attended the meeting of the North River Presbytery at Highland on Monday and Tuesday.

The annual meeting and election of officers of the Village Improvement League will be held in the near future. Notice of time and place will be given later. The object for which the Village Improvement League was formed cannot be attained unless it has the co-operation of the people of the town. It is currently hoped by the league that between now and May 1 every one will clean up his back yard, burn rubbish, mow fences and do all those things that make a place appear well kept. A place is judged by its appearance and we cannot have a prosperous growing community unless we first have a clean, well kept town.

The funeral of G. Lynn Briggs, son of Mr. and Mrs. J. Ward Briggs, was held from the home of his grandmother, Mrs. James H. Crook on Saturday.

The death of Lynn occurred at Denver, Colo., on April 1. He was born in Milton in 1898 and was 22 years old. In his early boyhood his parents moved to Flatbush, Brooklyn, where he lived most of his life.

The Ladies Aid Society of the M. E. Church will meet with Mrs. George Wilson on Friday afternoon at 3 o'clock. (new time.)

The First National Bank of Milton-on-Hudson was opened on Monday with a complete modern equipment. Much more money has been received

April 22nd, 23rd and 24th

What is a One Cent Sale? It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

A New Way of Advertising This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1c. It costs money to get new customers, and the loss taken on this sale will be well spent if the goods please you.

KINGSTON, N. Y., APRIL 23, 1920.

That "no soldier for president" demand, a new thing in this country, is doubtless attributable to the same 'autocratic propaganda which is responsible for other surprises.

College boys and Wall street bankers acting as locomotive firemen have quietly reminded "labor" that after all it is not the whole thing and that on a pinch its work can really be done by others.

New Yorkers are said to have been worse scared by the elevator strike than by the railway strike. In a city of exaggerated sky-scrapers the lift is even more imperative than the locomotive.

Cotton is selling at about 40c a pound, the highest rate on record, yet the growers in convention propose a "standard" price of 60c. If the public will stand for it, producers of every class are ready to go to the most extreme limits of price boosting.

THE PEOPLE'S UNION.

Everybody seems to have a remedy for the ills that afflict the country and every one of them looks promising to its author. So it is not surprising to hear that that still genial though ancient gentleman, Chauncey M. Depew, has broken a long and painful silence to say that there ought to be one more union, composed of the great middle class and having for its object the defense of the right of everybody to be treated "fairly, squarely, rightly, justly and righteously." Presumably this comes in response to the complaint that, while so-called labor is unionized to the limit and the capitalist classes know how to protect themselves even if they are not formally leagued together, the middle classes remain unorganized and helpless, although, according to Mr. Depew, they constitute eighty or ninety per cent of the people.

How to incorporate this huge and and multiform element, composed of salaried, professional and business people, into a union in the ordinary sense Mr. Depew does not undertake to suggest. Apparently the only possible vast union of the sort, with a view to a just and square deal, already exists, dating back to the Revolution of 1776, the Federal Constitution of 1787 and the earlier constitutions of the original thirteen states. But as this "union" includes labor and capital as well as the "great middle class," it is not exactly what Mr. Depew proposes. It seems to be all that is possible, however, and patriotic effort to support and strengthen it was never more needed than in the present troublous era with its incessant flow of undermining and enfeebling propaganda from without our borders.

SKEPTICISM AND DISTRUST.

The subject of profiteers and profiteering seems to be a pretty hopeless muddle. Apparently few agree as to what can be done or ought to be done to check the evil, and whenever anything is done criticism rains upon the doers from the four quarters of the journalistic world. For example, in connection with the arrest of a Brooklyn man named Nicholas by the federal authorities, the New York Times objects that there are too few such arrests to make the business worth while. "A real improvement in the deplorable situation," says the Times, "will have to come from something else than the catching here and there of a wretch who differs in luck rather than in depravity or ruthlessness from a multitude so vast that the jailing of them all would complete the ruin of the deplorable situation."

The New York Sun even defends the alleged profiteer. "We can understand," says the Sun, "why the federal investigators should have thought that a year's profits of \$24,000 on an investment of \$40,000 was remarkable or indicative of dishonesty. A man might make \$24,000 a year on an investment of \$100 and do it honestly." Now it could be "honestly" without duping his neighbors the Sun does not make

clear, being in haste to go on and say: "Attorney General Palmer has gulled millions of persons into the belief that profiteering rather than wasteful spending and lack of production was the cause of high prices. Skepticism, distrust, and anarchoism are the order of the day, and this is perhaps the most discouraging of all the disturbing features of the situation."

STOLEN BABY ONLY BORROWED

Thursday afternoon Mrs. Isadore Sebastian of No. 644 1/2 Broadway left her ten months old baby in the carriage outside of No. 640 Broadway. When she came out she found the carriage still there but the baby missing. Thinking the child had been kidnapped, as it was too young to walk, her cries brought a number at the scene. Police headquarters was notified and a general alarm sent out.

While the excitement was at its height Mrs. Della Cohen of No. 656 Broadway, came upon the scene with the baby in her arms. She was a friend of the family and seeing the child in the carriage had taken it out for an airing in her arms.

SUMMER CAMP.

At Close of "Y" Bible Study Interests Boys.

The wind up of the Bible study for the winter and spring term culminated in the examinations by 36 members of the boys' department of the Y. M. C. A. who have been attending regular Bible classes in the study of the Old and New Testament for more than five months. During this time the teachers of the courses have covered a specified portion of the Bible so that each year the boys can go on the more advanced work. A certificate or diploma is issued to every boy who makes a grade of 75 or above. One of the older members has 16 certificates to his credit which means that he has taken and passed examinations in that many courses. The boys have been meeting around the bean supper tables each Tuesday evening before the classes and a program of entertainment and good times was put on for their amusement.

Now that summer is coming the camps are interesting the boys. Some information has been sent out to the boys who are interested and a bigger, better and more beneficial camp than ever is anticipated.

LYONSVILLE.

Lyonsville, April 22.—Mrs. Fred D. Oakley spent a few days the past week with relatives in Kingston. Vernon Wager is helping Matthew Reosa with his farm work.

Miss Mildred Reosa of Stone Ridge is spending a few days with relatives in Rose Hill.

The choir of little chickens is beginning to be heard quite frequently by our poultrymen.

The entertainment will be held on the evening of April 28 at the school house, commencing at 8 o'clock. Ice cream and cake will be served. A cordial invitation is extended to all.

The milkman has commenced using his auto truck to deliver the milk to Kyserike. Also our mail carrier Mr. Gaskey, is using his automobile to deliver the mail.

Miss Elsie J. Roat, the district superintendent of schools, of Ellenville, was a caller at the school one day the past week.

PEPTONA Will Help You

Often times persons who are recovering from sickness have difficulty in recovering their strength. Peptona, our best tonic, will be found very helpful. It contains tonic and strength building principles to aid in enriching the blood, in assimilation of food and building general strength.

It is pleasant to take, and the ingredients are so combined that they are easily assimilated even by very weak stomachs.

Doctors Tell Why You Should Quit Using Too Much Tobacco

Dr. Kneass says cigarette smoke acts powerfully on lung tissue and induces pneumonia, tuberculosis, while it causes permanent degeneration of the cells of the nervous system, including those of the brain, and thus weakens the mental faculties.

Dr. Keeley says tobacco enters the digestion and lays the foundation for nearly every nervous disorder now common to the American people. It produces color blindness, epilepsy, bronchitis, rheumatism and asthma, dyspepsia and catarrh, tobacco heart and cancer of the stomach.

Dr. Sully, surgeon of St. Thomas Hospital and expert in diseases of the brain and nervous system, says: "I know of no single vice which does so much harm as smoking. It is a snare and a delusion. It makes the excited nervous system at the moment more irritable and feeble and ultimately I know of no other cause or agent that so much tends to bring on functional disease and through this in the end to lead to organic disease of the brain."

Mr. Swisher, can you afford to indulge this habit? Let Nicotol help you to throw off the fetters of tobacco. Nicotol kills the craving and sets you free. It makes the tobacco habit quit you and keeps you feeling fine and fit all the time. Get Nicotol tablets of any druggist.

Note—When asked about Nicotol tablets, one of our leading druggists said: "It is truly a wonderful remedy for the tobacco habit; away ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer, and we would not permit the use of our name unless the remedy possessed unusual merit." Nicotol tablets are sold in this city under the free-raid money-back guarantee by all up-to-date druggists, including Connelly Drug Company and Ten Broeck Pharmacy.

REAR ADMIRAL SHOOTSELF

By Telegram to The Freeman.
Washington, April 23.—Rear Admiral C. B. Brittain, chief of staff to the commander of the Atlantic fleet, shot himself and died instantly yesterday afternoon, according to a cable gram received today by Secretary of the Navy Daniels from Admiral Wilson at Guantanamo Bay. No details were given. The body is being shipped to the United States on board the Solace.

Spencer's Business School Notes.

The following are the names of students and graduates of Spencer's Business School, Inc., who have recently accepted good positions with reliable business concerns:

Miss Florence Fish, an honor graduate of the stenographic department, has been placed in a permanent situation as stenographer, typist and billing clerk with Everett & Broadwell, wholesale grocers, 536 Broadway, this city.

Miss Mae Mockabee, an experienced graduate of Spencer's School, has obtained a desirable position as bookkeeper and office assistant with E. S. Craft & Son, grocers, Wall street, this city.

Miss Hazel Osterhout, a graduate of the shorthand department, has accepted a permanent situation as stenographer, filing clerk and general office assistant with the Fessenden Shirt Company, 131 Cornhill street, this city.

Earl DeWitt, a graduate of Spencer's School, is holding a very desirable situation as typist and billing clerk with the freight department of the West Shore Railroad Company, this city.

Miss Dealia Beach, a student of the shorthand department of Spencer's School, has been placed in a good paying position as stenographer, typist and billing clerk, with Washburn Brothers, brick manufacturers, Jersey City, N. J. In a recent letter Miss Beach says: "I thank you very much for getting me this fine position."

Miss Stella McAuliffe, one of Spencer's most efficient graduates has been placed temporarily as stenographer and typist with Newton Fessenden, lawyer, Fair street, this city.

PINE HILL.

Pine Hill, April 22.—Mrs. Cornish Harrington underwent a successful operation at the Benedictine Sanitarium on Friday, April 16. We wish her a speedy recovery and a hasty return to her many friends at Pine Hill.

The Rev. S. E. Sargeant returned from conference and resumed his ministries with his many friends here, preaching at all points Sunday, April 18, when sixteen persons took win-one-legend cards and promised to try and win one each for Christ during this year. We expect others to follow their example and help in the good work.

The services will be held on Sunday at all points at standard time. The pastor's subject will be "A New Heaven and a New Earth."

The pastor announced from the pulpit on Sunday that the amount taken to conference for benevolences was six times more than was sent six years ago. He is anxious for his fourth year to be a banner year, both spiritually and financially, and solicits support and prayers.

PINE GROVE.

Pine Grove, April 22.—Ethan Spielman of Tannersville spent a couple of days with his brother, Nathan, who is still under the doctor's care.

Gulick Burton of Woodstock called on his uncle one evening the past week.

Mr. Williams has purchased a car. Miss Ella DuBois and sister, Mrs. George Burton, of West Saugerties visited Miss Mary Spielman on Wednesday.

Mr. Taylor of Long Island recently spent a day on the Shagbark Farms.

Henry Burton, wife and daughter, Viola, called on Mrs. Clara Rifenberg at Woodstock on Sunday.

Mr. and Mrs. Fletcher Simpkins of Woodstock were Sunday callers of her parents, Mr. and Mrs. W. Springs.

Mr. and Mrs. Knudsen, who have been spending a few days in the city, have returned.

OLIVERIA.

Oliveria, April 22.—Mrs. Joseph F. Butler and daughter, Ruth, of Kingston are spending the week with Mrs. Butler's parents, Mr. and Mrs. Edward Dutcher, in this place.

Mr. and Mrs. A. Krause motored to Hobart on Tuesday.

J. P. Van Valkenburgh was in Kingston one day recently.

Mrs. Archie W. Kane is spending a few weeks with friends in Kingston.

Mrs. Chester Joslin visited her sister, Mrs. George Thompson, at Bushkillville, Saturday and Sunday.

Mr. and Mrs. S. Nager have arrived at the Fairview for the summer, after a winter spent in New York.

Services will be held in the Methodist Episcopal Church Sunday afternoon at 3:30 o'clock, old time.

Overall Movement on Way Up River.

Overall manufacturers in Poughkeepsie and Wappingers Falls report the demand for working clothes has doubled in the last week. At the factory of Sweet, Orr and Company, it was said that the wholesale price has not been increased, although retailers everywhere have increased their prices to consumers. Two hundred pupils of Poughkeepsie High School, all members of the senior class, went to school in overalls Thursday, having sworn not to wear any other outer clothing until they have been graduated.

A Public Hall Sunday.

Saturday evening in Brewster's Hall on Hudson street, Branch No. 1, 1679, of the Z. N. P. will hold a dance.

Good Teachers a Necessity.
The boy who would become a chemist must have a good teacher. Through excellent education in a university, such an education as it would be practically impossible to obtain outside of a good technical school. The field of chemistry is so wide and complex that no matter how much ability and industry a student may have he cannot get very far without the help of good instruction and a proper equipment for experiment. An intelligent young fellow working in an industrial plant may acquire by his own efforts a limited knowledge of the particular part of his work. He will be competent to carry on the work so long as no new problems arise; then, however, limited by his narrow knowledge of the science, he will be quite helpless.

WORK OF ULSTER DRAFT BOARDS

Final Report Of General Crowder Shows That Board No. 3 Was Most Expensive While Board No. 1 Supplied Most Men.

The final report of Provost Marshal General E. H. Crowder, which has been submitted to the secretary of war, contains many interesting details in regard to the operation of the selective-service system which supplied the majority of the men for service during the world war. Few people realize the tremendous work which the officers and local boards did throughout the United States.

Scattered throughout the width of the United States were 4,648 local boards, operating in the same manner as the local boards here in Ulster county. At these local boards were the registration records of nearly 24,000,000 men, all of which have now been turned over to the adjutant general's office where they have been arranged for future reference.

The reports of the three boards of Ulster county give some very interesting facts and show the tremendous amount of work which the local boards did toward supplying fighting material for the army and navy.

Local board No. 1, of Ulster county called a total of 754 men, 763 men were inducted and 663 were accepted. One hundred men who were inducted were rejected.

Local board No. 2, called a total of 530 men. 556 were inducted and 513 of these accepted. Thirty-six men being rejected and 7 more on account of cancellation of draft.

Local board No. 3, called a total of 535 and 536 were inducted, of which 498 were accepted and 38 were rejected.

Local board No. 1, which supplied the largest number of men however had the smallest paid board. A report of the expense of operation of the three boards of Ulster county

shows that Board No. 3, leads with a net total cost of operation of \$8,048.78. Board No. 1, was second with a net cost of operation of \$6,258.54 and Board No. 2, was lowest with a total of \$6,100.45.

A detailed account of the expenses of the three boards is:

Local Board, No. 1.—Pay to board members, \$3,271.60; pay to employees, \$2,672.40; pay for physical examinations, \$174.00; travel expenses and drayage, \$2.50; miscellaneous expenses, \$244.09; making a total of \$6,365.59 from which \$107.05, derived from sale of salvage and transfer of property, is deducted making the total cost \$6,258.54.

Local Board, No. 2.—Pay to board members, \$4,182.12; pay to employees, \$1,350.00; pay for physical examinations, \$71.00; travel expenses and drayage, \$2.00; miscellaneous expenses, \$531.28; making a total of \$6,136.40, from which \$35.95 derived from sale of salvage and transfer of property is deducted, making a total of \$6,100.45.

Local Board, No. 3.—Pay to board members, \$4,136.70; pay to employees, \$2,958.80; pay for physical examinations, \$198.20; travel expenses and drayage, \$77.75; miscellaneous expenses, \$679.15; making a total of \$8,100.60 from which \$51.82, derived from sale of salvage and transfer of property is deducted making a total of \$8,048.78. The expense of board No. 3, was partly due to a fire which destroyed the records and caused additional cost.

One of the most interesting parts of the report is that part which refers to the cost of operating the draft machinery during the war. Striking an average from the entire United States it is found that the cost of each man accepted at camp was \$11.34, as compared with \$28.85 the cost of securing a man by voluntary enlistment in the army and \$30.23 in the navy.

Comparing the cost per accepted man under the selective service law with the corresponding cost per man under the Civil War enrollment act, one finds that the cost under the latter legislation was, per capita, \$217.87 for bounty and \$9.84 for operating expense, a total of \$227.71, against the per capita of \$11.34 during the last war.

It appears that the per capita cost per registrant was \$1.26; per registrant classified, \$1.74; per man inducted, \$10.38; and per man accepted in camp, \$11.34. Even at this low figure the selective service system cost the government \$30,847,914.24. In New York the average cost of each man accepted in camp was \$13.86, considerably above the average cost for the entire country. The state of Oklahoma was the lowest average cost per man, being only \$4.44.

The total number of men secured through the selective service draft and accepted was 2,702,687. New York state leads with a total of 254,309 men accepted, while Alaska was lowest with only 1,926.

HURLEY.

Hurley, April 22.—The Hurley Grange met Monday, April 17, at the home of John Brink. A large attendance was present. Final initiation was given to two members and the usual business transacted. It was urged upon the members to advantages and need of co-operation in buying. Finally the refreshment number of the upon the members to advantages and need of co-operation in buying. Finally the refreshment number of the program was a most bountiful and appetizing supper "gotten up" in the most approved and delicious style. So much justice was paid to this feature of the program offered that it needed no encore for that evening.

The Ladies' Missionary Society met in the basement of the church on Wednesday afternoon. It had been planned to have this as a special meeting with speakers from Kingston but the inclement weather prevented all this so that the real features are postponed to some Sunday evening at a C. E. meeting.

The entertainment brought out by the Ladies' Missionary Society must have pleased everyone by its success. The audience appreciated every effort of our friends from Kingston, who gave the entertainment. Our village folk came to be pleased and were pleased in full measure. The program was varied enough to suit all tastes. It opened with musical selections on the violin and piano by Miss Eckert and Mrs. Smith. As violin melody is seldom or never heard here, no wonder the beautiful renderings pleased as all the more on this account. Of course, there was an encore, which was as fully enjoyed. Then came Miss Saulpaugh, the elocutionist, who gave us altogether three selections, each one as amusing as the predecessor if not more so. The audience grasped quickly the humor of the recitations and was amused greatly. The selections were "Making Soft Soap," "Mean Little Torment" and "Too Great a Shock." The rendering of these selections added much to the humor developed. Mr. Hawley, with Miss Barbaas as accompanist, gave us several vocal selections in two numbers on the program. This was indeed a treat. To most of us Mr. Hawley's voice is known only by hearsay; we know it now most clearly and appreciatively. His voice, his enunciation and easy manner charmed us all. And the play, "Which is Which?" This is a most clever and amusing little skit full of bright catchy phrases as well as situations. It was well carried out by all the participants. This play took well with our village folk and the best comment is, take the first opportunity to witness it. The program closed with a duet for violin and piano and again the audience enjoyed the beautiful rendition. During the social hour, which followed, nothing but words of praise were heard for the pleasure afforded us by our Kingston friends. If they enjoyed the evening as much as we did, then their measure is full. The thanks of the Ladies' Society are hereby extended to everyone, those who took part in the program as well as those who helped us by their presence.

ASHOKAN.

Ashokan, April 22.—Peter Winne of Shandaken visited his son, Alonzo Winne, over Sunday.

Mr. and Mrs. Morrison Secor and daughter, and Mrs. Sarah Feeney of Kingston were entertained over Saturday night by Mrs. E. R. Kinney.

Mrs. Lewis Hyatt of Weehawken visited Monday and Tuesday with her mother, Mrs. George Barclay.

Mr. and Mrs. Lewis Thiel made a trip to Kingston one day last week.

Charles Jones of Delaware visited at George Barclay's this week. Mr. Jones came over to see his daughter, Mrs. Olive Jones Barclay, whom he had not seen in a number of years.

The Buley family, who have had the measles and two cases of pneumonia are all getting along nicely.

Miss Shells, physical culture teacher of the district, and superintendent of schools, Mr. Andrews, visited the school Wednesday afternoon.

Mrs. Pierce and grandson, Harold, have returned to the city.

Mr. Eltinge of Kingston has been visiting at his cousin's, Lincoln Smith recently.

AT THE THEATERS.

Marguerite Clark at Keeney's—Vandeville at Opera House.

Marguerite Clark, the idol of millions, in her newest play, "Luck in Pawn" is the attraction at Keeney's tonight and tomorrow.

The new vaudeville show at the Opera House proves to be one of exceptional merit. The Harmony Four demanded encore after encore at every performance and the Irishman kept the house in a roar. The photoplay Owen Moore in "Sooner or Later" is a delightful story of an old bachelor who gets caught just like all the rest of the regular "guys," only things are different about this catch.

Margarita Fisher in "All the World for Nothing" will be the attraction at the Auditorium tonight. It is a romantic love story abounding in thrilling situations and beautiful scenes. A Gale Henry comedy in a laughing farce is also programmed and the Fox News weekly. Tomorrow Alma Hanson and Stuart Holmes in "Sins of the Children" will be presented in addition to the sensational serial "The Invisible Hand."

The Myrtle-Harder Company will open their week's engagement at the Kingston Opera House next Monday night with "The House of Glass." If all the good things said of William H. Kibbie's "Uncle Tom's Cabin" company by the press of other cities are true, the Kingston Opera House tomorrow matinee and night will have an attraction that will draw universal patronage.

BLOOMINGTON.

Bloomington, April 22.—Christian Endeavor meeting 7 o'clock at standard time, Topic, "Christian Principles in Personal and Public Health." 1 Cor. 5:18-20. Leader Miss Selma Callaway of Whiteport.

Choir rehearsal on Friday evening at the home of Miss Florence Kelyea. Mrs. Willis DuBois of Kingston spent the week end with Mrs. B. Kelyea and mother.

Mrs. Mary Smith spent one day the past week in Kingston.

Miss Florence Kelyea spent one day of the past week with her aunt, Mrs. Emma Thompson, of Edenville.

Joseph S. Yunker of Maple Hill and Miss Irene Ennist of Kingston who were married on April 7 came to their new home here. Miss Ennist was formerly from this place and we all join in wishing them good luck and prosperity in their new life.

Mrs. Ruth Cook of Creek Locks visited Mr. and Mrs. J. Yonkers one day of last week.

Mr. and Mrs. A. D. Relyea and little son, Gordon, of Newburgh came Monday to spend a few days with Mrs. Mary Relyea and daughter, Florence.

Miss Lizzie Zuelch of Brooklyn who has bought the John Van Keuren property moved her things on Tuesday of this week by a large moving van from the city.

Mr. and Mrs. Charles Markie are spending a few days with relatives in New York city. Mrs. William Cohon of Kingston and cousin, Charles Reares are keeping house while they are gone.

Mrs. John Vandemark who has sold her home along the Green Kill road came from Locust Valley on Tuesday where she has spent the winter. She was accompanied by her son's wife, Mrs. A. Van Demark, who will help her pack her things. Mr. Faradise, the real estate man, sold the property.

INSPECTION AT ST. STEPHEN'S

This week-end St. Stephen's College at Annandale will be visited by a deputation consisting of President Kenneth M. Sills of Bowdoin College, Professor Charles Sears Baldwin of Columbia College and Dean Hughell Fossbrooke of New York, who will make the annual inspection in the name of the Episcopal Church, of the college. The college will also have as a guest, Rev. John McGann, rector of Christ Church, Springfield, Mass., who will be preacher at the Sunday morning service, at 10:30 a. m.

Baseball practice is going on every afternoon, and on Saturday of this week the college will play, at 3 p. m., the New York State College from Albany. Visitors will be welcome at this game. The game will be played at St. Stephen's.

On Monday evening of this week Dr. Joseph Barry of New York city delivered a lecture under the auspices of the Dragon Club on the subject, "Some Modern Literature," in Preston Hall.

Professor MacDonald is conducting services in the Episcopal Church at Staatsburg and Professor. Kaltenbach is conducting services in the Episcopal Church at Red Hook.

Dr. Clarence R. Williams has returned from Atlantic City where he spent his Easter vacation. Ground will be broken within the next two weeks for the new gymnasium. A fund is being collected to buy the equipment and furnishings for the gymnasium and to perpetuate the upkeep. This fund is to be a memorial to the late Archdeacon A. B. R. Hegeman, an alumnus of St. Stephen's, who graduated in 1891. Dr. Hegeman was Archdeacon of the diocese of central New York. While in college, he enjoyed a wide circle of friends in the surrounding community and his death was a great sorrow to them as well as to the college.

GRAND GORGE.

Grand Gorge, April 22—Dr. Currier of Oneonta was called to this village Tuesday afternoon of this week to operate on Thomas Moore, Jr., for appendicitis. At this writing his father, Thomas Moore, Sr., states his son is doing as well as can be expected and unless some unforeseen complication arises, he will recover.

Mrs. Hiram F. Whitney and children, June and Bill, are in Kingston where little Miss June underwent a major operation at Dr. Kenble's institution on Clinton Avenue, Kingston, or a throat affliction. At this writing she is recovering.

Three cabinet makers from William G. Schwartz, and Company of Rochester, N. Y., are installing the new fixtures, counters, furniture, etc., in the First National Bank this week.

S. Pandar has purchased the small arm property formerly owned by the late Mrs. Lucy Turk located just east of the U. S. R. R. station, from Dr. Persons of Gilboa, to whom it was given by will after Mrs. Turk's death.

Mr. and Mrs. Neal G. Fowler and daughter, Virginia, of Prattville, Ala., spent the week-end with Mrs. Fowler's mother, Mrs. Clay Bookhead of Depot street.

The Tri-County Light and Power Company in which Judge Grant of Stamford is interested, is having poles holed due on Depot street, for the purpose of carrying their wires to the new crematory plant of the Sheffield Tannery Company near the railroad station.

Howard Emrick of Oneonta completed laying the tile floor in the new building of The First National Bank on Tuesday and returned home that afternoon. He certainly is an expert workman in the line and very deserving of praise.

Daniel Truitt of Bradford, N. Y., who was recently assigned as pastor of the M. E. Church here by the M. E. Conference at Kingston, was acceptably filled the pulpit for the first time last Sunday, preaching at both Bradford and Kingston services.

CLASSIS OF KINGSTON MET

Rev. Langwith to Be New Reformed Church Pastor at Stone Ridge—High Falls Church Shows Most Progress.

The Classis of Kingston of the Reformed Church met at Accord on Tuesday, April 20, about thirty clergymen and laymen being present. In addition to the usual routine the Classis heard Rev. Dr. Bayle of the Inter-Church World Movement, who stated that in every church when the quota was accepted, the churches went over the top. The Fair Street Reformed was one of these churches. A call to Mr. Langwith of Bushkill, Pa., was approved and arrangements made for his installation at Stone Ridge. The committee on union of the three vacant churches under one pastorate reported progress. Revs. Appeldoorn of Port Jervis and Polhemus of Ulster Park, were invited to all corresponding members. In reading the report on the state of religion, High Falls Reformed Church in proportion to its number of families reported the largest number of accessions to the church membership. Rev. A. A. Zabrickie of Kingston was unanimously elected a member of the board of superintendents of the Theological Seminary at New Brunswick for the term of five years. The ladies of the Accord church gave a generous hot dinner.

Does 3¢ = Americanism?

Did you know that 3c is MORE than the churches average from each member per day?

WE AMERICANS may be thoughtless. Sometimes we may appear selfish. But when a great need arises, no one can say that we have ever shirked.

Ask any son of France. Ask any soldier of Great Britain. Or ask any Armenian mother or a girl with a red cross on her sleeve or one with a tambourine in her hand.

And now the churches come to us for help—our churches. Not begging. Not asking alms. But with heads lifted high facing a task so worthy that we, as loyal Americans, ought to feel it a privilege to help.

Here is the Plain, Unvarnished Truth

We don't need to be told that the church is the heart of the Nation. We admit its influence for lasting good in our children. We see its stabilizing influence on our communities. We know a little of its great hospitals, its homes for children, its schools and colleges here and abroad.

But most of us do not realize how pitifully inadequate the support of the churches is when compared to the urgent needs.

Less than 3¢ a day!

In spite of the great tasks which we expect our churches to carry out, those of us who give to the church—and the number is all too few—are now giving an average of less than 3¢ a day for all church purposes.

Less than 3¢ a day.

Shall our churches go on? It is for you to say.

Without your help the work of your church must be just that much less.

Give—and give from your heart as well as from your pocketbook

A World Survey Was Made

Our churches know the needs that must be met. They know exactly how every dollar—every penny—will be used for the greatest good without waste.

A world survey was made by the churches that thousands of business men in its thoroughness. Country after country was studied; the countries of the world were visited and reported in minute detail.

How the Interchurch World Movement Originated

Our churches said: "The task of meeting the urgent needs shown by the world survey is too great for us to do individually as denominations. We must do this work together."

So thirty great denominations are cooperating—each keeping its own purpose and identity—but all working together under the name of the Interchurch World Movement.

Because of this cooperation, it is estimated that over one million dollars will be saved alone in eliminating waste and duplication.

CONSEQUENTIAL DAMAGE STRESSED

Judge Clearwater Says That City's Failure to Prevent Taxpayers' Claim is to Prevent Taxpayers' Claim. What Law Requires Railroad and State to Pay in Eliminating Crossings—No Opposition to Elimination Itself.

A Freeman reporter called on Judge Clearwater this morning and asked if he cared to comment upon the action of the common council Wednesday evening. "Well," said the judge, "it might not be amiss to emphasize the fact that Mr. Coykendall does not by his taxpayers' action oppose the elimination of the Broadway crossing. What he wishes and seeks is to prevent the taxpayers of this city being compelled to pay what the law requires the New York Central Railroad Company and the state to pay. The law regarding the elimination of existing grade crossings is specific, and requires that fifty per cent of the expense shall be borne by the railroad company, twenty-five per cent by the city and twenty-five per cent by the state. The order which the public service commission has made for the elimination of the Broadway crossing, and which the city illegally has agreed to, provides that the cost of construction of sidewalks, pavements, sewers and guard rails; the cost of relocating or reconstructing existing sewers and water mains; the cost of and incidental to the acquisition of additional land, and resulting from consequential damages, which shall be in excess of \$125,000, shall be borne solely by the city of Kingston."

"No lawyer, no judge, no business man can foretell how large a sum the city by its agreement with the public service commission and the New York Central Railroad thus assumes and agrees to pay in excess of its legal share of twenty-five per cent of the total cost."

"What are consequential damages?" said the judge. "The veriest tyro at the bar will tell you that they are capable of such elastic expansion and distention as frequently to be ruinous. They constitute the one class of damages to which every lawyer most insistently and strenuously objects and in this elimination they may be colossal. Naturally and properly, therefore, Mr. Coykendall contends that if they are to be at all paid, the New York Central Railroad Company and the state should pay seventy-five per cent of them, and that the taxpayers of the city only should be burdened with the exact twenty-five per cent which the law places upon the city. Here, said the judge, handing the reporter from his files the papers, "is the correspondence between Judge Ledyard P. Hale, counsel to the public service commission, and myself regarding the order of the public service commission. You will note that in my answer to Judge Hale I emphasize what I do to you, which is that it is not the elimination of the crossing which Mr. Coykendall is opposing, but the assumption by the city of a burden which the New York Central and the state by law are required to assume. Particularly at a time when our people are facing increasing and interminable taxes of stupendous volume assessed by the nation, state, county and city, when the cost of food and clothing has become appalling, when the cost of labor and material necessary to effect the elimination is greater than ever it has been in the history of the city, and the rate of interest to be paid on the bonds and notes issued to pay for the elimination higher than we have ever known."

Correspondence between Judge Clearwater and Judge Hale, counsel to the public service commission, was also given out. Judge Hale's letter being as follows:

Albany, April 17, 1920.
Case 5905—Re West Shore Elimination at Kingston.
Hon. A. T. Clearwater, Kingston, N. Y.

Dear Judge Clearwater:
A copy of your letter of the 8th inst. to Mr. Canfield, mayor of Kingston, has been forwarded by him to the commission with a letter asking whether the commission has any suggestions in reference to the above matter. I have thought the best way was to take the matter up direct with you and to say that if Mr. Coykendall intends to commence an action the commission would be glad to have it commenced immediately and prosecuted with the utmost diligence. The reason why the commission so desires is that it has set aside a certain amount of state money for the payment of the state's share of this particular elimination, although, of course, the appropriation by the state was not conditioned upon the expenditure of the money for this particular elimination. If for any reason, and especially for any legal reason, this particular elimination is not to be proceeded with the commission would like to know it at the earliest possible date so that the money can be expended elsewhere. There are many places in the state in which the danger is confessedly great, and which are clamoring for relief, and if this elimination is not to be proceeded with the money can be very usefully expended in other sections.

Of course, I am fully aware of the legal doubt which may be entertained concerning the power of the commission to limit the contribution of the state to \$125,000, and especially the power of the commission to direct that the city of Kingston shall assume any cost for work in excess of that made necessary by the elimination strictly construed. As far as I know, however, it has been held, both in the electric zone eliminations, which have been very extensive, and in one case in western New York, that where railroad or city or other municipal work was conventionally and necessarily done at the same time with the work of elimination the extra costs then incurred should not be added to the elimination costs but should be borne by the railroad company of the municipal corporation. The same thing has been illustrated on the part of the state in connection with the elimination of grade crossings on state roads, i. e., where the state needs something to be done conventionally and economically at the same time it should pay for it so far as it pertained not to the elimination, but to the improvement of the state road.

tion, but to the improvement of the state road.

Of course, you will concur with me in the idea that if the commission's order, numbered paragraph 2, is void or voidable for want of power, it is to the interest of the commission and of the state that the commission should be so instructed without delay, to the end that state moneys sadly needed elsewhere may be elsewhere applied.

It is always a pleasure to write plain English to you, because you understand it.

Very cordially and respectfully yours,
L. P. HALE,
Counsel.

Judge Clearwater's reply was as follows:

Kingston, April 20, 1920.
Case No. 5905—In Re West Shore Elimination at Kingston.
To Hon. Ledyard P. Hale, Counsel to Public Service Commission, Albany, New York.

My Dear Judge:
I beg to acknowledge the receipt of your favor of the 17th instant, and am glad to learn you are fully cognizant of the legal doubt which exists concerning the power of the public service commission to direct that the city of Kingston shall assume all costs for work in excess of that made necessary by the elimination as you strictly construe it.

You hardly accurately state the provisions of the order, which in fact provides that the cost of construction of sidewalks, pavements, sewers, and guard rails, of re-erecting or reconstructing existing sewers and water mains, the cost being incidental to the acquisition of additional land, or resulting consequential damages to be determined or assessed in excess of \$125,000, shall be borne by the city of Kingston.

Contrary to your expectation, I am unable to concur with you in the idea that if paragraph two of the commission's order is void or voidable for want of power, that it is to the interests of the commission and the state that the commission should be so instructed without delay to the end that state moneys sadly needed elsewhere may be elsewhere applied.

The public service commission after hearing all the parties interested, after careful consideration and deliberation, finally decided that the elimination of this West Shore crossing is imperative. Now, after reaching that conclusion, if the commission has made an order void or voidable for want of power, it seems to me that the proper course to be pursued is not to divert the moneys appropriated for this precise elimination, to consider and reform the order, and to make an order which cannot successfully be attacked for want of power, one which effectually will provide for the relief contemplated by the statute, an order which properly shall be framed in accordance with the precise provisions of the statute governing grade crossings, and the payment of the expense of their elimination.

I do, however, entirely concur with you that it is desirable to proceed to a speedy determination, and shall be glad to take the necessary steps as soon as I am in a position to do so.

Perhaps I should add that my client, Mr. Coykendall, is not opposed to the elimination, but naturally desires that it properly be made, and that the city of Kingston, in and of which the interests represented by him are large taxpayers, only should be required to pay its proper aliquot legal proportion of the elimination.

It is not needed that I should emphasize to so eminent a lawyer as you are, the danger to the city of assuming liability for an unknown, indefinite and now unascertainable amount of consequential damage which ultimately may prove to be so large as not only to be burdensome, but oppressive.

Under the order as it now stands, the city would be compelled to pay of the consequential damage, not only the twenty-five per cent legally chargeable against it, but the seventy-five per cent legally chargeable against the New York Central Railroad Company and the state.

It would be childish indeed to ignore your compliment. Permit me to reciprocate it, and to say that following your peerless example, I have endeavored to express myself with precision and compression.

Always with many kind regards, I am as ever, very sincerely yours,
(Signed) A. T. CLEARWATER.

SAWKILL.

Sawkill, April 22.—Edward Butler was a recent visitor in Sawkill. Ora Charlton has added five cows to his stock.

Mrs. R. Shortell and daughters and Mrs. Williams spent Sunday evening with Mrs. John Neenan.

A few friends of Jack McCaffrey gave him a pleasant surprise on Monday evening, it being the occasion of his 13th birthday.

Ora Charlton is spending a few days in New York city. A flag raising was held at the school Tuesday morning, when the new flag purchased through the efforts of the teacher, Mr. Newkirk, and the pupils, was raised the first time.

A party was given Saturday evening at the home of Mr. and Mrs. Herndon. All reported having had a fine time.

Mrs. F. Beecher, George and Anna and Mrs. McCaffrey and Jack called on Mrs. John Neenan Sunday.

Helen Goldbach of Kingston is visiting her grandparents, Mr. and Mrs. Thomas Gately.

R. J. Charlton has leased the Macstone quarry of John Carroll for a term of years.

Thomas Gately has entered the employ of William Myers, who is connecting with the city water.

We are sorry to hear that Samuel Manton has lost his valuable male, Tony.

The farmers in this vicinity are very busy planting their early potatoes.

Edward McCaffrey is working for Arnold Michaels.

The Police Brothers are doing fine work with the scraper on the Sawkill road.

Thomas Callahan is drawing fertilizers for Mr. Herndon.

Richard Shortell, formerly employed at Cherry Hill Farm, is now in the employ of Ora Charlton and at present plowing on Jockey Hill.

William Beardslee of Kingston called on friends in this place one day last week.

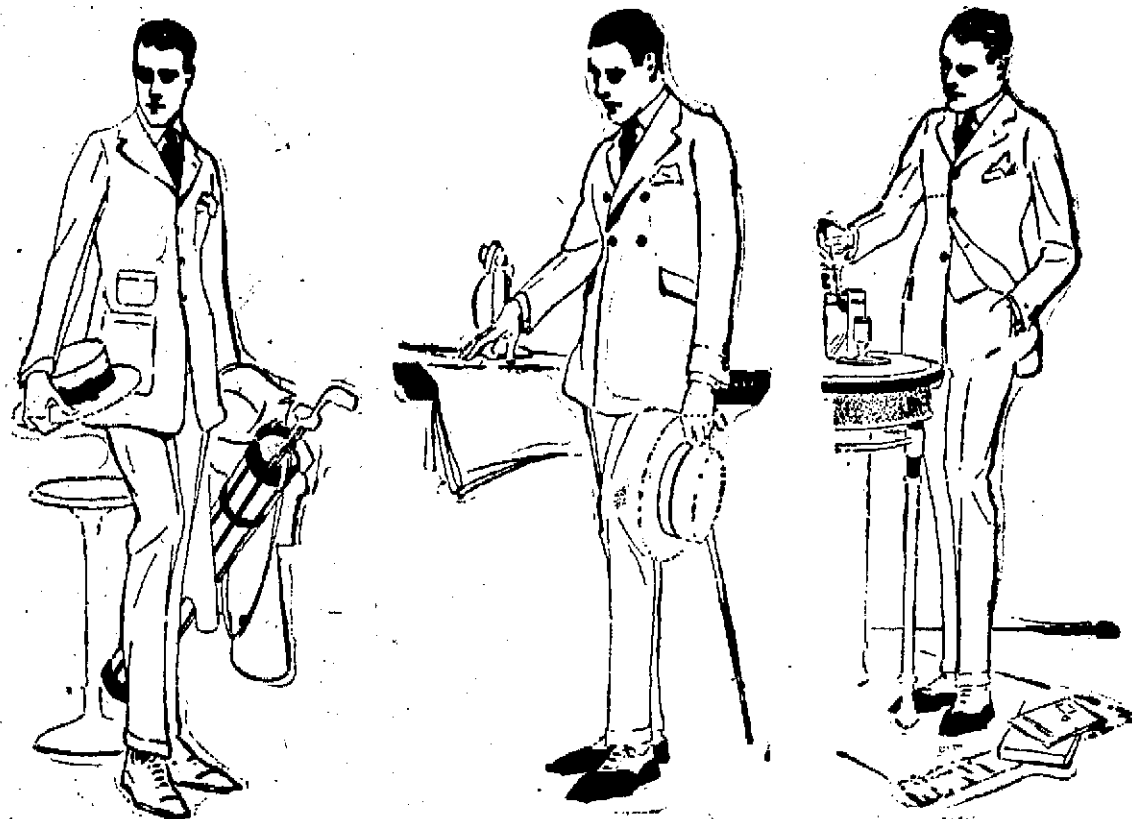

Mrs. Lewis Hulmer and Mrs. William Hulmer visited Kingston recently.

E. T. STELLE WINS MEDAL

For The Fells Champion of Colum-
bia University—Winner a Son of
Dr. L. K. Stelle Of This City.

The Lawrence medal, offered in
annual competition for the fells
champion of Columbia University,
was won Thursday afternoon by E.
T. Stelle, a son of Dr. L. K. Stelle of
this city, captain-elect of the Blue
and White fencing team. The
victor was one of four contestants
to emerge from the preliminary
round, and in the final strip he was
victorious in two of his three
matches, being tied with Harry E.
Bierschenk.

In the fence-off the latter was an
easy victim for Stelle and lost the
bout by 13 touches to 6. Eleven
fencers entered the annual competi-
tion for the Lawrence medal, the
only four to survive for the finals
being Stelle, Bierschenk, E. Rem-
guo and Dennis Bencoe.

THE KITCHEN CABINET

Remember that you have only one

well than to build it up after you have

WAYS WITH POTATOES.

As there are several thousand ways
of preparing potatoes, it seems as if
for variety it is
wise to enlarge
on one's reper-
toire. Potatoes
of uniform size
and shape should
be saved for bak-
ing, while the im-
perfect in shape
and size may be steamed in their skins,
peeled and used for various dishes like
creamed potatoes, salads or escaloped
dishes.

Potato Border.—Spread a wall of
mashed potato one-inch thick around
the outside of a buttered pan. Re-
move the pan and fill the center with
creamed chicken, fish, sweetbreads or
oysters. Reheat and serve very hot.

Potato Puff.—Add the beaten whites
of two eggs to mashed potatoes, using
six medium-sized potatoes. Season
well and pile lightly into a buttered
baking dish and bake until it puffs
and browns. The yolks of eggs with
grated cheese may be added for vari-
ety.

Potato Soup.—Scald one quart of
milk with two slices of onion. Remove
the onion and add the milk slowly to
two cupsful of hot rice potatoes. Melt
three tablespoonfuls of butter, add
two of flour, one and one-half tea-
spoonfuls of salt, stir and mix well;
add pepper, celery salt, and add to the
hot milk; cook until smooth. Strain
if necessary, add one teaspoonful of
chopped parsley, and serve.

Curried Potatoes.—Make a white
sauce of four tablespoonfuls of fat,
one tablespoonful of cornstarch and
two cupsful of milk. Melt the butter,
add the starch, then when well mixed
add salt, pepper and four table-spoon-
fuls of cheese. To a quart of cooked
diced potatoes add a medium-sized
minced onion; add the sauce to the
potato with a teaspoonful of curry
powder, mix into a greased baking
dish and bake until brown in a moder-
ate oven.

Potato Stuffing for Fowl.—Take two
cupsful of mashed potato, one and one-
fourth cupsful of bread crumbs, one-
fourth of a cupful of butter, one egg
beaten, one teaspoonful of salt, the
same of sage and one finely chopped
onion. Combine the ingredients and
mix them well together.

THE HARMONY FOUR

Owen Moore is the Irish hero of this story adapted from "The Woman Hater," by Lewis Allen Browne. As Patrick Murphy, a young lawyer, who is considered a "good catch," Owen has a terrible time avoiding all the scheming mammas and desirable daughters who want to marry him. Of course he falls in love at last, and with the supposed wife of his best friend, too. Then what happens? Oh, well, suppose you come and see for yourself. You'll burst a few buttons off of your vest laughing at the funny situations.

"Y" CITY LEAGUE**

Exceptional Dinner, Prize From Dillinger and Awards From Frank Thompson Pitting End for Successful Season—Baseball Team Next.

Thursday evening the members of the Y. M. C. A. city basketball league gathered together for the final battle of the season, "The Battle With the Eats."

The league was made up of four Y. M. C. A. teams which played games on Saturday evenings. The Olympics were the winners of the league, with the Trojans and Romans tied for second place, while the Athenians brought up in the rear.

The final standings.

	W	L	P.C.
Olympics	8	4	.667
Trojans	6	5	.555
Romans	6	5	.555
Athenians	3	9	.250

Promptly at 8:30 the fellows took their places at the table in the dining room. After singing a few songs, accompanied by Miss Marie Farrell at the piano, Mr. Safford said grace and the banquet began.

It was an exceptionally fine "feast." Mrs. Becker, the caterer of the "Y" tea room, prepared the food. By the way the boys stowed away the different courses they showed that they appreciated good cooking.

The menu: Tomato bisque, celery, jelly, queen olives, roast chicken, mashed potatoes, little green peas, salad, saltines, ice cream, cake, coffee.

After the last morsel had been cleared from the table, Toastmaster Dillinger expressed his appreciation at the help that the fellows had given him in making the league the success it was. Not a single game was forfeited on account of the players not being present. He then introduced Frank Thompson, of the physical committee, who after a few kind words presented the winners with their awards.

The award consisted of a small gold basketball charm with a black K on it. They are beautifully designed and well worth cherishing by the fortunate victors.

Those who attended the banquet were: Olympics—Arthur Jones, manager; Robert Murray, captain; James Hillis, Fred Dressel, James Winters, Walter Foster and William Wilson. These were the boys who were awarded the medals.

Trojans—Chester Dolson, manager; Lawrence Goldberg, Charles Beeres and Wilson Norwood.

Romans—Clarence Harris, manager; Fred Port, Alveric Herb, John Connelly, Tom Rowland and Harold Johnson.

Athenians—Raymond C. Van Buren, manager; Loughran Smith, Dorr Monroe and Harry Schryver.

Guests—Frank Thompson, of physical committee; N. A. Dillinger, M. Safford, Barensten Bishop, Harry Hutton, Rodell Black and Miss Marie Farrell.

The board of managers which had full charge of the league consisted of Arthur Jones, Chester Dolson, Clarence Haines, Raymond Van Buren, Frank Thompson, John Millard and Norman Dillinger.

The Y. M. C. A. expects to organize a baseball team to enter the city league. There is plenty of material among the members and the prospects for a good team are excellent.

MARGUERITE CLARK
—IN—
LUCK in PAWN

By Marylin Taylor Scenario by Alice Ertou
Directed by Walter Edwards
"SAY UNCLE"

That's what Louis Arnsberger, pawn-broker, said to beautiful Annabelle Lee. And beautiful Annabelle Lee, having nothing but an artistic temperament and a lot of pawn tickets, called him uncle and had the time of her life!

Merry no! Nothing wrong at all. Just a little friendly partnership that landed Louis where he wanted to go socially, and netted Annabelle big dividends in love from one Dicky Norton.

But the troubles they had! And the troubles they made! Wow! You'll gasp and laugh till your sides ache.

CHOICE MEATS SPECIALLY PRICED AT
LAY'S BIG SATURDAY SALE

These are busy days for every one—days of serious interest such as have not come before in the life time of most of us. And in these times of criminal food speculation and outrageous prices, we are trying to make good market keeping better, still more helpful, still more worthy in value for each dollar. That is the duty we have on to force us and to which we are turning ourselves. We do our utmost to keep down the cost of meats, especially for the poor man with a large family. How well we succeed is shown by comparing our prices with others and then adding highest quality for good measure. You may have the reason why multitudes of people are seen seeking to secure their needs at our "Record Breaking Sales."

THREE YEARS FOR
CAILLAUX REPORT

By Telegram to The Freeman.
Paris, April 23.—It was unofficially reported this afternoon that the French senate, sitting as a high court of justice, had reached a decision to impose a three year sentence of imprisonment upon former Premier Joseph Caillaux, who was found guilty of having committed the crime of treason. According to this report, Caillaux's previous detention would run as a part of his sentence, which would mean freedom for him in about a month. The court is to announce the sentence this evening.

Last Night's Fights.

By Telegram to The Freeman.
At London, England—Jeff Smith, Bayonne, N. J., knocked out Bandman Rice in the second round.

At Portland, Ore.—Fred Fulton scored a technical knockout over Jack Thompson, Tulsa, Okla., negro boxer, in the sixth round of a scheduled 10 round bout.

At Bayonne, N. J.—Johnny Darcy of the U. S. S. Kansas, knocked out Johnny Daley, of Jersey City, in the second round.

Poughkeepsie Plumbers' Demands.

Demanding \$1 an hour and a 44 hour week, the plumbers of Poughkeepsie will go on strike May 1, as the Master Plumbers' Association has voted to refuse to meet the demands. The electrical contractors in that city have granted the electricians a \$6.50 day. The masons and plasterers, who demanded \$1 an hour, will have the demand met.

Boilermakers' Ball.

On Monday evening, April 26, at St. Mary's Hall, the Boilermakers' Union, No. 720, will hold its first annual ball. The hall is one of the best in the city, and has been beautifully decorated. Curt Shurter's orchestra will furnish the music for dancing.

ASK WARSHIPS
FOR MEXICO

Request of Americans At Mexican Ports Taken By Washington To Mean That Trouble Is Anticipated Because of Unsettled Conditions.

By Telegram to The Freeman.

Washington, April 23.—American representatives at the Mexican ports of Topolobampo, Mazatlan, and Frontera have asked that American warships be sent to those ports, the state department announced today.

The state department refused to make any statement as to the incidents which have led to the request for warships.

The matter of sending warships is now under consideration, the state department announced.

The general attitude of the state department was that the request for warships was a matter not to be taken too seriously and it was evident that the state department was extremely anxious not to create any uneasiness in the matter.

"It is a very reassuring thing to see the American flag flying," was the comment made by one high official in connection with the request for warships.

Dispatches received at the state department indicate that there is a very unsettled condition in Mexico, which may lead to a serious outburst and it is believed that it is to guard the safety of Americans in such an event that the warships have been asked for.

There are indications that a strict censorship has been set up in Mexico. No Mexican newspapers yesterday printed any articles bearing on the revolution, despite the fact that the reports here indicate that the revolution is creating a serious state of affairs.

Private advices received in Washington also indicate that American officials in Mexico are becoming anxious over the situation and reports were received unofficially that the warships had been asked for. Those in close touch with Mexican conditions were of the opinion that the call for warships was in anticipation of trouble rather than because of any trouble which had occurred.

CARRANZA SONORA MISSION FUTILE

By Telegram to The Freeman.
Washington, April 23.—The "peace commission" sent by President Carranza to attempt to negotiate parleys with the officials of the revolting state of Sonora has failed to make headway, according to a statement today from the agency of the Sonora revolutionists here.

The statement declared that Ignacio and Roberto Pesquera, the envoys of Carranza, have confined their efforts to the issuance of long statements from their headquarters in El Paso. It is charged by the Sonora agency here that the mission is an "intrigue" behind which is Louis Cabreria, minister of finance of the Mexican government.

Information has reached the Sonora agency here that General Renteria, federal commander of the state of Michoacan has joined in the revolt of that state against the Carranza government.

WILL DESTROY DARDANELLES AND BOSPHORUS FORTS

By Telegram to The Freeman.
San Remo, April 23.—The supreme council has decided to destroy all the Turkish fortifications along the Dardanelles and the Bosphorus and to internationalize both of these important and strategic waterways. It was announced today. Both will be free to the navigation of the world.

The Dardanelles and the Bosphorus can be blockaded in the future by the League of Nations. A Dardanelles commission has been created to regulate matters relating to the straits.

ODDS AND ENDS.

A minstrel rehearsal will be held this evening at 8 o'clock at the K. of C. Home instead of at St. Mary's Hall.

The Benevolent Daughters of Jacob will hold a regular meeting Sunday afternoon at 3 o'clock. All members are urged to be present.

The Queen Esther and the Young Women's Foreign Missionary Societies of Clinton Avenue M. E. Church will hold a food sale Saturday afternoon from 2 until 5 o'clock at Dedrick's store, 208 Wall street.

The ladies of Circle No. 1, of the English Lutheran Church of the Redeemer, ask their friends not to forget their sale on Saturday afternoon at the store of George L. Snyder, 628 Broadway, when home made cake, rolls and coffee cake will be sold.

To Recodify Labor Statutes.
By Telegram to The Freeman.

Albany, April 23.—The senate today adopted a concurrent resolution appointing a commission of five senators, six assemblymen and the labor committees of both houses to recodify the labor statutes.

TO UNITE ALL STRIKE OUTLAWS

By Telegram to The Freeman.

Washington, April 23.—An alliance of all the "outlaw" railroad unions will be effected today, to form a working agreement to join forces and to take united action, according to R. J. Mitchell, of the Engineers' Association of Chicago.

Representatives of the New York and New Jersey strikers announced today they would join the alliance and work independently of the brotherhoods. The new alliance, it was stated, will have a membership of 75,000 railroad workers representing all crafts. As soon as the railroad labor board hands down a decision on the wage demands before it a national convention will be called of the delegates in the United States and Canada from the organizations representing secessionists from the old line unions.

"It is not to be a one big union," said J. P. Foley, of the Cleveland Yardmen's Association. "We are not for that 'red' stuff. We are law-abiding citizens and good Americans who are tired of supporting high-priced officials who act as guards and keep members of the organizations under tyrannical rule. We are not sowing seeds of Bolshevism, but are sowing seeds of those who are delaying these questions."

Delegates from Pittsburgh, Chicago and St. Louis are expected for a conference to be held this afternoon. Among the organizations that have taken part so far in the conference are: the Cleveland Yardmen's Association and the Kansas City Yardmen's Association. New rebel unions to take in all railroad crafts, Mitchell said, will be organized in every city in the country.

FINANCIAL AND COMMERCIAL

By Telegram to The Freeman.

New York, April 23.—After showing a strong tone at the opening today, the stock market developed weakness and many issues suffered substantial losses. Republic Steel unusually active, opening from \$1 to \$3 compared with a closing of 76 yesterday. The stock then reacted to \$9 1/4. Steel Common rose 3/4 to 99 and then fell back to 98 1/4. Baldwin Locomotive, after advancing 1/2 to 118 1/2, fell to 116 1/2, and Republic Steel selling ex-dividend showed a loss of 1 1/2 to 97 1/2. Lackawanna, however, was in demand, advancing 2 points to \$3.

Mexican Petroleum rose to 177 1/2, and then dropped to 173 1/2. The oil issues acted in the same manner. Pan-American Petroleum advancing 1 point and then falling to 96, while Sinclair yielded 1 1/2 to 34. General Motors rose to 297 with a quick reaction to 290. Studebaker lost 1 1/2 to 107 1/2 and Pierce Arrow 1 1/2 to 62 1/2. Corn Products from a high of 103 1/4 dropped to 99 1/4.

The market was active throughout the forenoon, with recessions and advances following each other in quick succession. Towards noon, buying developed from many sources, causing a strong tone. Steel Common, after falling to 97 1/2, rallied 1 point and Baldwin fell 1 1/2. Lackawanna Steel continued in demand, advancing to 98. Studebaker became strong, advancing three points to 111 1/2. Republic Steel, after advancing to 83 1/2, reacted to 80 1/4. The oil shares were heavy, Pan-American yielding over 3 points to 95, while Mexican Petroleum fell to 172 1/2.

The market displayed a reactionary tendency during the afternoon. The market showed an irregular tone throughout the afternoon, most issues moving within a narrow range. The oil issues were heavy, especially the Mexican issues. Pan-American Petroleum falling over 6 points to 92, while Mexican Petroleum yielded over 14 points to 165 1/4.

Lackawanna Steel continued in demand, ending up to 88 1/2. Steel Common after a morning high fell to 92 1/2. Baldwin Locomotive reacted over 3 points to 115 1/2 and Republic Steel dropped from 98 1/2 to 96 1/4. The market closed weak; government bonds unchanged; railway and other bonds weak.

The remains of the late Harry C. Lower, who died March 4, and was placed in the Wiltwyck receiving vault owing to the impassability of the roads, were taken to the family plot in the Cedar Hill Cemetery at Newburgh for final interment Wednesday afternoon. A large delegation from the Brotherhood of Railroad Trainmen accompanied the remains and held their committal services at the grave.

Charles Huben died suddenly on Thursday at Shokan, where he was employed by the Debnom Company. The remains were taken to Rosendale today and the funeral will be held at 10 o'clock Saturday morning from the residence of his brother, Jacob Huben, in Rosendale, and thence to St. Peter's Church. The interment will be in the family plot in St. Peter's Cemetery, Rosendale. Mr. Huben is survived by one sister, Mrs. Mary Quinn of Newark, N. J., and two brothers, Frank and Jacob Huben.

Tamaulipas Rebels Beaten.
By Telegram to The Freeman.

Washington, April 23.—Colonel Calles, former federal commander in Tamaulipas, clashed yesterday with a Carranza force under General Cipriano Rodriguez, defeating the latter, who retreated toward Monterrey, according to an official statement from General Salvador Alvarado, Sonora's military representative here today.

U. S. SAN REMO ATTITUDECHANGES

Strong Intimation in Washington

That Ambassador Johnson Will Be Told To Take More Active Part And That Allies Are Greatly Pleased.

By Telegram to The Freeman.

Washington, April 23.—Although Ambassador Johnson was originally instructed to participate in the San Remo conference of the allied premiers only as an observer, it was strongly intimated today in official circles that additional instructions had been transmitted to Ambassador Johnson to hold himself in readiness to take more active part in case this government should desire to express its views, as discussion proceeds.

It is understood, from official reports reaching Washington, that the allied premiers are far from regretting the sudden decision of the United States to have a representative at the council table, but are greatly pleased at this changed attitude.

LOCAL DEATH RECORD.

Recent Deaths and Funerals of Persons in This Vicinity.

Mrs. Egbert Whitaker, an aged resident of Saugerties, died Tuesday, April 20. She is survived by a daughter, Annie Turner. The funeral was held Thursday afternoon, interment in the Mountain View cemetery.

Sarah H., wife of the late John Francisco, died at her residence, 45 Downs street, Thursday, April 22. The funeral will be held from the residence Saturday evening at 8 o'clock. Interment in Kelly's Corners on Sunday.

The funeral of Mrs. Mary E. Cornell was held Wednesday afternoon at the residence of her daughter, Mrs. Charles J. Conklin, 2 Roosevelt avenue, Poughkeepsie. The services were conducted by the Rev. James Douglas of the Methodist Church at New Paltz where Mrs. Cornell formerly resided. Interment was in Lloyd, this county.

The remains of the late Harry C. Lower, who died March 4, and was placed in the Wiltwyck receiving vault owing to the impassability of the roads, were taken to the family plot in the Cedar Hill Cemetery at Newburgh for final interment Wednesday afternoon. A large delegation from the Brotherhood of Railroad Trainmen accompanied the remains and held their committal services at the grave.

Charles Huben died suddenly on Thursday at Shokan, where he was employed by the Debnom Company. The remains were taken to Rosendale today and the funeral will be held at 10 o'clock Saturday morning from the residence of his brother, Jacob Huben, in Rosendale, and thence to St. Peter's Church. The interment will be in the family plot in St. Peter's Cemetery, Rosendale. Mr. Huben is survived by one sister, Mrs. Mary Quinn of Newark, N. J., and two brothers, Frank and Jacob Huben.

THIRD LARGEST HOME BUREAU

The Ulster County Home Bureau now stands third in its membership among the other twenty-five counties and two city Home Bureaus in New York state. Jefferson county, with a total membership to date of 800, holds first place, Niagara second with 780 members, and Ulster county third with 741 members to date.

Many of the counties in the state, like the Ulster County Home Bureau, are still working toward a goal of 1,000 members and everywhere the campaigns are continuing because of the many handicaps they had this past winter.

Within the past week West Hurley has gone "over the top" of their quota with a total of 21 members and are on the honor list. Allgerville and New Paltz have also increased their membership, and many others are still working to reach their quota and be placed on the honor list.

N. Y. C. Brakeman Killed.

LEBOIS ARRAIGNED

And Entered Pleas of Not Guilty to Grand Larceny.

Abe Lebois was arraigned before Judge Schirck in police court this morning on a charge of grand larceny in the second degree preferred against him by Barney Millens of Meadow street. Lebois pleaded not guilty and the hearing was adjourned until April 25. Bail was fixed at \$1,000, which was furnished. According to Mr. Millens's complaint Lebois agreed to purchase some copper at Hillside, Columbia county, for \$100 if Mr. Millens would telegraph him that amount. Mr. Millens claims he did so and received neither the copper nor his cash back.

Seals Left For "Everywoman."

There are still a number of good seals for "Everywoman" to be given by the senior class of the High School at the High School auditorium tonight. But they should be called for early. The program will begin promptly at 8:15 o'clock, and late comers will not be seated during the performance of any of the acts.

Like Many Another.
His father had taken him out to the self course. That evening he seemed to be ill at ease. "What," said his mother, "what is the matter with you? I don't want you to be sick, but I guess I must have got some of those colds on me," was Walter's reply.

Not Their Business.
Butters are the last ones to come out with 22, indicating as he speaks of their friends as men of sterling integrity, reputation, honor.
